

The Right Connection®

Introducing **Dixon Bayco's 4" Gravity Drop Adapter Dust Cap**

Why use a heavy aluminum dust cap that is difficult to remove, easy to loose, and constantly wears out cam arms? Our dust cap has an easy Pull Off and Push On operation.

Materials:

- Cap: black nylon
- Gasket: Buna

Features:

- Designed to fit on any 4" cam and groove adapter, specifically 4" gravity drop adapters
- Reduce handling time
- Reduce weight
- Easy Pull Off / Push On operation
- Same T handle design as the vapor dust cap
- No cam arms to replace
- No broken chains and lost fittings
- Cost less than aluminum dust caps
